Getting around

Time Trail

The 1½ mile (3km) circular Time Trail leads you through the geology and history of College Lake as well as its natural wonders. The Courtyard houses exhibition centres, a picnic area and the Outlook Inn, an exploration room for under 5s. Great for first time visitors.

Bird Trail

The ¾ mile (1km) circular Bird Trail takes you past 5 bird hides with different views of the lake and its islands. Great for bird watchers.

Wild Trail

The 2 mile (3¼ km) Wild Trail allows you to see the whole site, including views from the far end of the lake, and the Courtyard exhibition centres, including the Outlook Inn. It is accessible to buggies, wheelchairs, and our motorised tramper vehicle. Great for seeing the whole site.
