

What will happen on my day at Woolley Firs?

Hello! When arriving at our lovely site you will be greeted by one of our friendly learning officers.

CLAIRE

SUSANNAH

KAREN

ALAN
OUR VOLUNTEER

They will lead you to our centre and we will explain all you will need to know about your day, including showing you where the toilets are and where you will have lunch.

During your visit you may be exploring our woodland, looking at our wildlife pond...

... or going for a walk spotting nature features and animals.

You will have lunch at our beautiful education centre, either at the picnic areas or in the building if raining or cold.

We can't wait to meet you and hope that you have a lovely day with us.
