Welcome to Sutton
Courtenay
Environmental
Education Centre.

We're looking forward
to meeting you.

When you arrive, your bus will drive into our carpark.

When you get off the bus, one of our friendly education staff will be there to meet you and take you through the gate.

In front of the centre, we will talk about how to keep safe on our beautiful nature reserve.

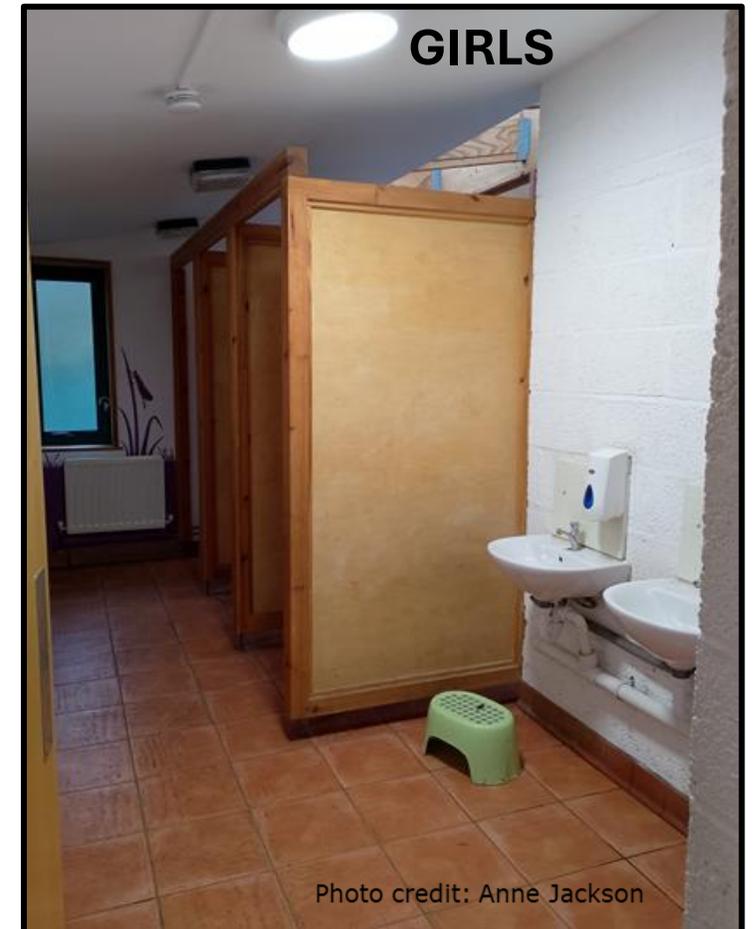

Next, you will go up the ramp into the centre. In the hallway, you can hang your coats and bags on a peg.

The bathrooms are at the end of the hall. You can wash your hands and use the toilet.

There are hand dryers on the wall which can be a bit noisy.

There may be a queue to use the bathroom.

While you are waiting, you can look at some videos of our animals on the monitor in the hall.

If the weather is wet,
it will be a bit muddy.
You will need to wear
some wellies.

If you don't have your
own, you can borrow a
pair.

Your teachers may give you time for a morning snack and play.

If the weather is fine, you can sit at our picnic benches.

If it's raining, you can have your snack inside, in one of our classrooms.

Now it's time for our activities.

Our education staff will explain what is going to happen and where we are going.

They will ask you to stay behind them when walking from one part of the nature reserve to the other.

This is to make sure you don't get lost and that you are safe.

We may stop at one of our seating circles or shelters along the way.

Here we can listen, talk and start our activities.

Lunchtime – If it is sunny, you will have your lunch outside on the picnic benches.

There will be time for play on the grass after you have eaten your lunch.

Lunchtime – If it is raining, you will eat your lunch in one of our classrooms.

Back To School

You can check the visual timetable in the hall at any time, to see what is happening after lunch.

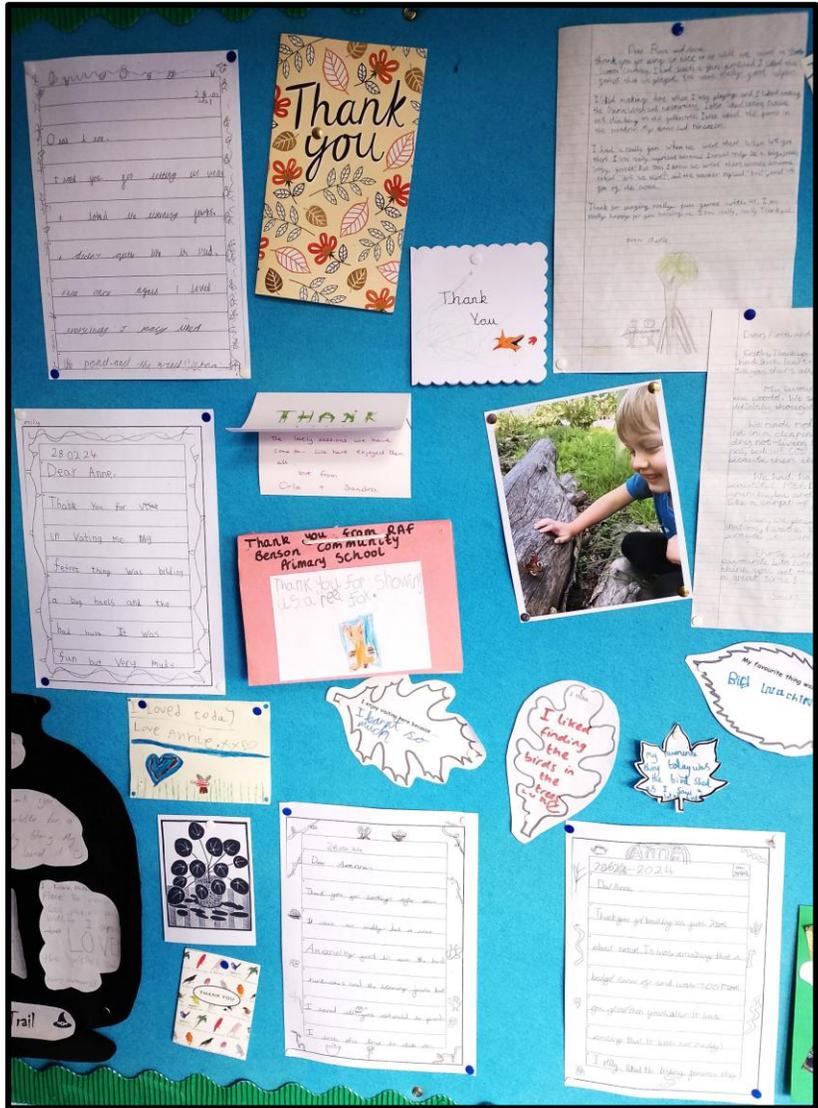

At the end of the day, you will need to wash your hands and go to the toilet.

If you have been wearing wellies, you can change back into your normal shoes to go on the bus.

If you borrowed some of our wellies, please remember to leave them behind.

Make sure you take all your things on the bus to go back to school.

We hope you enjoy your day at Sutton Courtenay. We love receiving your letters and pictures after your visit.

If you would like to come back and visit us, you might enjoy the trails, day camps and workshops here in the holidays.
